

Welcome to SAVE-A-LIFE!

**Where we can teach you how to
SAVE A LIFE.**

Provide Continuing Education and Certification for people from all walks of life. For children enrolled in Boy Scouts or Girl Scouts, to Life Guards, to Parents as well as those Professional needing additional training and certification.

We offer on-site training wither in your home, school or place of business.

We offer personal one-on-one hands on training or we can train your entire facility. This is not just another dry classroom environment - we make learning a real personal experiences.

No class is too big or to little.

We also offer flexible training times. Evening classes as well as day class are available.

Classes are affordable with discounts given for group training and multi-classes instructions.

Types of classes are as follows:

- **ALL levels of CPR training**
- **ACLS,**
- **PALS,**
- **AED**
- **GEMS**
- **WILDERNESS,**
- **EMERGENCY O2,**
- **BLOODBORNE PATHOGENS,**
- **1ST RESPONDER**
- **AND SO MUCH MORE**
